

SPRUIKER OR PROFESSIONAL PRACTITIONER?

Join the Property Investment Professionals of Australia (PIPA) and be recognised as an ethical, professional property investment specialist in your field

PIPA is the peak professional association for all practitioners engaged within any aspect of the property investment industry.

Whether you're a mortgage broker, financial planner, accountant, real estate agent or property manager, if you or your business plays any part in the property investment process, recognition as a trusted specialist will set you apart from the competition in the eyes of consumers.
